REMARKS

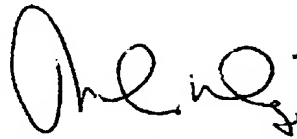

Interview summary

Applicant's representative, Michael Dryja, conducted an interview with the Examiner on April 18, 2005, via voicemail and email. The Examiner indicated that should the claims be amended as have been amended above, the claims would be in allowable form.

The Examiner indicated on April 18, 2005, that he would be making the amendments approved by Michael Dryja via an Examiner's amendment. However, on May 5, 2005, the Examiner emailed Michael Dryja and indicated that due to a "new regulation," he could no longer issue an Examiner's amendment to allow the case, and that Applicant would have to submit an office action response.

Therefore Applicant believes that the pending claims are in condition for allowance, due to the previous agreement with the Examiner, and requests that they so be allowed. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Applicants' Attorney so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,
